10th December 2009

Dear Sandwell Partnership Executive Board Members;

The next meeting of the Sandwell Partnership executive Board will be in two parts, and will last for 3 hours altogether.

The first part of our meeting will explore how we can work together as partners to be more effective and efficient in providing services and improving outcomes for the communities of Sandwell.

We have briefly introduced what the Government's Total Place initiative is all about at the last meeting, but we want now to get down to what this means for us in Sandwell Partnership. We will be looking at health inequalities and crime in this meeting. **Please bring with you examples of how we are already working together in these areas that improve effectiveness, efficiency or both.**

We will in future be asking similar questions in other areas of the Partnership's work

The second part of the meeting will focus on Performance including the LAA results for Quarter 2 2008/9, and include an item on the Partnership's BE PROUD campaign.

I look forward to seeing you on Thursday 17th December. Please note we will meet at the Sandwell Council House in Oldbury. I would be grateful if you can make yourself available for the full 3 hours

Finally, can I take this opportunity to thank all of you for your commitment to the Sandwell Partnership during 2009, and wish you a Merry Christmas and Happy New Year

Gary Bowman
Sandwell Partnership Director
