

How you can help

We need you to tell us:

1. About the vacancies, work placements and volunteer opportunities for young people available within your company or organisation;
2. What areas these opportunities are in;
3. Your contact details.

You can do this quickly and easily online at www.sandwellpartnership.co.uk

Simply follow the step-by-step instructions to select the type of opportunity/ies you can provide, the appropriate job category/ies, the number of vacancies available and how we can get in touch with you.

Thank you

Your support in 'Backing Young Sandwell' is greatly appreciated and will make a very positive impact on the lives of our young people, the Sandwell community and the local economy.

and...

UNEMPLOYED

School and college leavers in Sandwell: they leave school or college ready to embrace working life and what do they face?

The harsh reality of over 4,450 unemployed 16-24 year olds in the Sandwell area - opportunities for our young people are among the worst in the UK.

We're asking you to join us and help do something that will make a real difference.
